

Form d3) References

1.1 Automotive References

[In response to requirement appearing in point 1.2 of “Annexure III Bidder’s Company Requirements”, Bidder shall provide the details of all projects handled by it during last four years, where the Bidder has met specifications similar to the requirements appearing in Annexure IV Technical Conditions of Contract, as per the table below.]

S. No.	Description of Equipment	Year of Installation	Country	Role	References
1					
2...					

1.2 Similar References

[In response to requirement appearing in point 1.2 of “Annexure III Bidder’s Company Requirements” Bidder shall provide detailed description of at least two projects similar to the current Scope of Supply, meaning supply installation and commissioning of Battery emulator equipment where Bidder had full responsibility on the supply and installation of the facility. The Bidder is requested to fill and include in this chapter one proforma (see below) per each given reference.]

1.3 Specific References

[The Bidder is requested to fill and include in the current chapter all Specific References requested in “Annexure III Bidder’s Company Requirements”. Please use as many proformas for References (see below) as necessary. In the case one reference given by the Bidder covers more than one required Specific Reference, Bidder can merge the Specific References requirements]

1.4 Sub-contractor experience

[The Bidder is requested to fill and include in the current chapter some reference on similar project achieved by each sub-contractor]

Proforma for References
